WHO IS JAY BELL?

On May 22, 2007, we lost our friend, Jay A. Bell. Jay was President of the DC Association of Insurance & Financial Advisors and was serving as President of the Greater Washington Foundation of Insurance and Financial Advisors (GWFIFA) at the time of his death.

The Board of Directors of GWFIFA acted to honor and preserve his memory and his leadership and dedication to community service, by naming the Golf Tournament after him. His constant reminder to take the Foundation "to the next level" continues to drive our efforts. In 2018 the GWFIFA board voted to be known as the Helping Hands Society of Greater Washington but the mission of positively impacting the community remains the same.

Jay Bell, LUTCF, CLTC
honored with Bernard
L. Wilner award, 2006

CHARITIES WE SUPPORT

NATIONAL FEDERATION
OF THE BLIND

Live the life you want.

The **National Federation of the Blind** advances the lives of its members and all blind people in the United States. We know that blindness is not the characteristic that defines you or our future. Every day we raise the expectations of blind people, because low expectations create obstacles between blind people and our dreams. Our collective power, determination, and diversity achieve the aspirations of all blind people.

After School Enrichment Matters

After School Enrichment Matters –

It is well-documented that students who participate in after-school activities have higher grades, are more engaged and are better connected with both the school and the community. Engaging kids early through after-school programming also keeps kids interested in school, allows for the development of mentorships and helps build students' self-confidence. SafeSpot's core programs include forensic interviewing, family advocacy, and mental health therapy, as well as the coordination of Fairfax County's multidisciplinary team response to child abuse.
